I always called alvin "pops", he was always great to me and my family. He always had a great story to tell. His daughter courtney is one of the strongest women i know and has handle all this with grace and dignity. She is truly her fathers daughter. I love courtney and david as if they were just like my sister and brother, and i love their children as i do my own. I wish their family peace and love. I too was a veteran and had many of talks with alvin that i will cherish for the rest of my life. I love you pops and salute you.
