Grandpa, There isn't a day that goes by where I don't think about you and what impact you had on my life. Your dedication and love you had for your family is something most men dream of obtaining. I will always carry your thoughts, laugh, smell and most importantly your appreciation of life in my heart. I love you and miss you more than words can say. I will remember all your advice, wit and wisdom for the rest of my life. Love you forever Julie

David, I am so sorry to hear about Paul. He was a true gentleman and I enjoyed all the years that we sang together in the choir in Stonington. He and Betty will be sorely missed. Had a nice visit with him before Christmas when the Moose Club sang carols and he invited us in to his room to see his marvelous arrowhead collection. We also got to visit at the summer band concerts. Please accept my deepest sympathy.
