I remember Kent fondly from my early years as a young "adult"?. We had some real fun with Kent, he was a great guy and I loved being around him with Lynn.I remember one trip to Uncle Webs in an old panel truck with buckets for seats and squirrel guns without cases when we accidentally flagged down a policeman and told him we were trying to get a dog out of the middle of the road.... what a hoot that was. I know Kent will be missed by all his family and many others too..... I wish you all only fond memories of Kent and please know he isn't gone, he's just taken another live form while he awaits you all.....Much love and sympathy,Jerry Wakeman
