Ray & Karen,I just got home from work and saw Mark's obituary in the paper. I am so shocked and so sorry for your great loss. Mark certainly has been courageous and an example of someone who has had a positive attitude and seeing the cup half full instead of half empty. I know that you have given him so much support and cannot even imagine your loss at this moment. Know you are in my thoughts and prayers.Love,Marcy

Sweet Dreams My Love, My life is so empty without you in it and i dont know how to go on. I am trying my hardest to be strong and I am going to work towards our dreams even though I have to do it without you in them. I will always Love you and cherish the short time we were given together. We made a lot of cherished memories and I hold them dear to my heart at this time. May you be held safe in Jesus's arms where there is no pain and it is always warm and comfortable, check in on me sometimes. I will always watch for you in every sunrise and sunset, in the breeze through the trees, in the cries of the Cicada's in summer. Goodnight my Sweet Prince, My Hero, My LoveForever and alwaysCyndie
