I knew some of his family before I knew he and his wife. I had the privilege of driving them back to Arkansas late in his life. They were great entertainment on that trip.

Our condolences to the Mixell family. We first met Robert in the early 60s. Robert gave us our first impression of Decatur, (we just moved here from Mt Vernon) Robert always had a smiling greeting, this spoke well for Decatur. Thru the years we still enjoy the smiling greeting from Steve. Our prayers and condolences to each member of the family. Birdie and Helen Wilkins

Dan, Steve, Johanna and families: I have the fondest memories of Bob as not only was he my first boss in Decatur, but he was like a second Dad to me. If it wasn't for him, I would not have started my own garbage disposal business as well. Your Mom and Dad were close friends with my parents, and I remember all the fun times and trips they shared together. I felt honored to know all the family. Our thoughts and prayers are with you during this difficult time. God bless. Terry and Ruth Cullison
