My thoughts and prayers are with the family. I know that George will be greeted with open arms into the Gates of Heaven. He was a special man. He always welcomed me into his home when visiting Janet. I realize how hard it is to let go of a loved one. We all know that he is in a better place than we are. I send my love to all of you. Jenny Littrell

Thank you Dad for loving me and whenever I watch a ballgame, you'll be right there with me just like we watched so many games together in the past. You may be gone in the physical world, but you'll never be forgotten. Thanks for all the good memories....David
