Hello: I hope you will not regard this as inappropriate since I saw Jimmy last when we were in first grade in Moweaqua Grade School in 1936. I still remember Jimmy. He, Lloyd Gregory, and I were little buddies. Lloyd, who was a retired principal in Arizona, returned to Moweaqua a few years ago and married another of the classmates of 1936, Joyce Smith. Lloyd passed away a couple years ago. Jimmie and I were tiny little chaps and he was a cute little guy. I was quite upset when he suddenly moved to Decatur during first or second grade. Lloyd and I were also in the Military during the Korean War. My sympathy is extended to the family. WJM
