To all the Montgomery family. On behalf of the Roppa family, our prayers and love are with all of you with the passing of Bernice and Judy. Our memories of growing up together are priceless along with present day with our moms living right down from the street from each other. This came as such a shock for all of us, as we are down in FLorida. Bernice and Judy are with our blessed God and I know they are with each other. God bless all of you. Love, Karen

Sending condolences to the family. Our families were neighbors and were all fond of each other. Judy was a sweet and special little girl... about 10 years younger than me. My mother, Ruth Kitchens and I loved for Judy to come over and just pal around with us. Judy had a way about her that made people happy to be with her, and I'm sure she would never have changed. God Bless you, Montgomery family. Thanks for your friendship and the good memories that my brothers Mike and Steve and I share. You are good people.
