She was always called Aunt by our family... My grandma, Alice Baize, met her in 1972. They were inseperable. She will always have a place in my heart. I hope they got the Internet up there, so she can read this comment.

Sue was one of the strongest women I knew. Despite her situation her demeanor never wavered. She was always happy, laughing and joking and enjoying her family that was around her. I enjoyed visiting her (looked forward to every time):-) and she treated me as if I and my children had been a part of the family for years. She was a beautiful woman and I hope that I can be half of the woman she was. I see her in her son everyday and I am so thankful I had the time with her that I did. I know she will be looking down and smiling and watching over her kids and grandkids!! I love you Sue.. I miss you everyday!!
