I will cherish the memories as a kid growing up in the neighborhood getting to know Margeret. I knew her as MRS Horve. MRS Horve watched over us and was like a second mother to me. I will miss her smile and talking to her. Thanks MRS Horve for giving me my best friend. You will for ever be missed. You are in heaven now with my Mother watching over us like a mother always does. My thoughts and prayers are with the Horve family.

I am sure you and my own mother are now in heaven watching over your kids like did so many years ago. This time it was God that told you it was time to come home. You were just like my own mother just down the block. As a kid I had so many good times with you and Mr Horve. Always a hug a smile or a honk when I was visiting Mom and Dad. Thanks again Tommy
