Edward, We have already missed you going by and honking in the last few months and now we will forever miss you!! We always enjoyed you stopping in and visiting with us, telling of your fun evening and all the women you cut the rug with. You were always so full of energy, it's hard to believe that you have laid down for your final rest. Rest in peace and some day we will break bread with you again. God bless!

I didn't know Ed well...we are friends with Becky and Bill Heitz. I wanted you to know that every time we would run into you at the downtown events,I would always notice the twinkle in your eyes...I always thought to myself what a kind and loving family you must be. My last memory was watching you dance in the bandstand...having so much fun...just really enjoying life. I am so sorry for your loss and I also have no doubt that he is dancing and smiling in heaven with those that have gone before him. God Bless you all, Cheryl Griffiths
