I just learned of the passing of Mr. Kunz. I work at City Hall in Fanning Springs and always looked forward to seeing him monthly when he paid his water bill. He told me of his visit to Illinois; he was thankful for his family and reaching the age of 90. My condolences to his family.

Grandpa, I love you! We're all going to miss you very much! We're going to miss the visits and playing cards. We've had so many great times from family reunions with great-grandma, to going to the gulf coast, to having cookouts, and even watching you cook the hamburgers on the grill. Also, coming to your house around Christmas time and having dinner. God bless you for all the great times and for always being there! Thanks again for being the best grandfather a person could have. You'll always be in our hearts. We still were the best partners in pinochle. We would always come out on top somehow. Love you Always, your grandson Kent
