I remember my step dad very well he was funny and nice. He was like a real father to me and my brother. I can remember his favorite radio station and also how him and my mom helped me when I was going to school. I will always remember watering his tomato plants.

Donna and I have many fond memories of Jerry, Linda and the girls. We also had many good times together. Jerry, Shorty Cordray, Jiles Nichols and I bowled together and also formed a traveling basketball team. We would play teams from Mattoon and area towns. Jerry was also one of my fishing buddies. I will never forget his sly grin. It always reminded me of the little kid that got into the cookie jar. He was always a good friend and will be missed. Our deepest sympathy to Kelli, Jennifer and his extended family.

To Linda, Kelli, Jennifer and Jerry's extended family. Jerry was married to my niece Linda (Land) Schiff. They were the cutest couple ever and he'll be remembered by me as a very gentle soul, hard worker, and caring person. He was handsome and had the cutest grin. I've not been in touch with him for many years but treasure his girls Kelli and Jennifer and my niece Linda. My deepest sympathy to all of you at this time.
