To Sue and Family, Im so saddened about the death of Sue, I have known her since we were in our teens. I cannot express my feelings. I lost contact with her when I got married in 1981 and moved away to Kentucky. I just found out about this a couple hours ago. Words cant express the way I feel. I have looked for her for years and no one ever knew where she was or what happened to her. I just want the Family to know that they are all in my Prayers and Heart. I cared deeply for Sue she was a great person. Sue your in my Heart.Much Love & Respect,Sharie
