I am so sorry to hear about Kris. I grew up with Kris and I think we had almost every class together at Enterprise. Like all of my classmates from Enterprise, Kris has a special place in my heart and memory. I still remember the time Kris had a pool party at his house when we were in fifth or sixth grade, and the time Kris starred as Thomas Edison in our class musical. I do remember how much Kris loved music and planes, and the car he had in high school. I am so sorry. He was a good person. This is such a loss, and I'm so sorry for his family and friends that are hurting. You are all in my thoughts and prayers. My love to you all. Daley (Hamilton) Collins
