Kathy, was certainly a special lady that had several great qualities. Caring, kind, loving, genuine, devoted, welcoming are some that come to my mind quickly, and as we all know strong willed to the point of stubbornness at times. Mix all these together and you had a great lady in Kathy. She way always nothing short of gracious to us. I'm grateful to have had the pleasure of knowing such a sweet person.

Cathy was a mother who loved her children unconditionally. She was loved by a devoted husband whom she loved deeply. If she was your friend you were blessed. She will be missed by everyone deeply. You have won the honor of going first and waiting for your family you will be reunited with. Rest and watch for their arrival. Your job on earth is over.
