I just learned of Barb's passing. So sorry for your loss as I know how much she loved you all from our long talks. We had many fun times together as families camping, chopping down Christmas trees, having garage sales or just being at each other's home on the weekend. Judy Cox, Ft. Myers, FL

I had the privilege of attending K-12 with Barb. We weren't close friends but I knew enough about her to know she was a good person. I know Barb will be missed by her family and friends (especially Patty) and hope they find comfort in the fact that Barb is at peace for eternity. May God bless Barb and her loved ones.

Barbara and I grew up in the same neighborhood and went from K-12 together. After leaving home we didn't see each other much but it was always like old times when we did. Rest in peace my friend.
