Dear Parker family, Many condolences on the loss of Brenda. She worked with me at a couple of nursing care facilities years ago. Brenda was not only a wonderful co-worker but a friend as well. Brenda had a loving, caring spirit and winning smile. She always strived to do her best for everyone. May God give you strength and blessings during this difficult time. Candy Carroll Nashville TN

My prayers are with all of you. Brenda & I were best friends (one of the many she had!) in high school. I spent many weekends over at her house and going to Great Skate in our freshman year, then once she got her license and her car we made more great fun memories! I'm so glad we re-connected on FB but I regret not being able to meet up with her as we planned. Brenda you will be sorely missed by everyone. Your smile - your being lit up a room as soon as you walked in. I will see you on the other side.

Brenda and I were best friends all thru high school. We definitely made lots of memories in that beige car mom and dad got her! From little kings to taking for sale signs out of yards and putting them in boys yards we didn't like! I will treasure our memories and the times we had. Thinking of her and her family.

Brenda was the sweetest woman! When I began working at Akorn, she was one of the first faces I remember. She was so kind and she was so patient. She was my "trainer" and she helped me so much my first few days. She will be missed dearly.
