My deepest sympathy to all of you. Losing someone we love is never easy and I pray God will give u all some peace within your hearts and to comfort you during this difficult time. Terry was a good man. He sure loved to ride his motorcycle. Now hes at peace and with his family. I miss all of them. Alice was a good woman and candy was a good friend. we considered her family. I wish we didn't have to go thru things like this but we have to. Again my deepest sympathy. If u need anything let me know. Your all in my prayers.
