My name is Cecilia Vasquez and I was in the International Psychology cohort with Tammy in Brazil. We became friends right away as we met at Rio De Janeiro airport. She bought me my first Brazilian drink (Caipirinha). Then when we were in Sao Paulo, we were craving American food and we walked to Burger King and ate our Whopper and Fries at the hotel. Tammy was a lot of fun, a great person and friend, and I will miss her forever! My condolences to her family. She talked about her son a lot and loved him so much.
