We've been Best Friends for 15 years and I have MANY memories with her BUT if I'm just choosing one I'd say it was last year when James and My (at the time turning 4 years old) son Keaton missed out on his birthday party at our church because the roads were bad. I called Marcia and explained what happened and within a few short hours she put together an AMAZING birthday party for him complete with balloons and everything at her House. She made him so happy and just made his day SO special. I LOVED her SO much. There will NEVER be a day from here where I don't think about her. She was my only Best Friend. Good bye my beautiful friend. You don't have to be in pain or feel sick anymore. Rest in Peace and Love.

Marcia was like a daughter to me. She was always happy to see me. She knew that I loved her. Always had a good time when we were together. Sleep in Heavenly peace. Take a walk in God's garden, you have your legs now. Love you.
