Dear grandma Beth, My favorite memory with you was when I was a child running around putting stickers on everything and you just telling me I was cute and giving me hugs ❤️ I loved when you would play tea party with me and my dolls! I'll miss you dearly and I'm so sorry I didn't get to see you before you passed. I love you! I will live by your advice and follow my dreams because life is short and everyone deserves to be happy. I send my love to everyone and I hope you'll smile today even if it's hard! - Love, Addy
