Thank you Rolling for sharing that precious memory of our "Sweet Judy". My memories start with Judy as she babysat me in my younger years. You also remember those times. Then as I grew into a teen she was there teaching me all the new dance steps. I was so in awe of her as in her early twenties when she would make those trips to Nashville. Of course we were worried sick but oh what fun she had! The good memories is what I cling to. Throughout the many years Judy always made it a point to send Mom cards and notes to lift Mom's days. I will truly miss that wonderful caring smile. She was not only my cousin but also My Sister in Christ and I will rejoice when I see her again in Heaven. Prayers and Love for You All, Suzie

I was nine years old when I first met you. My family moved neighbors to you and your family. I was so impressed with you. You were 15 and beautiful inside and out. I remember I said to myself, "I want to be like her when I grow up." Little did I know that I would be lucky enough to be your sister-in-law but to me, you were my sister. I have known you for 69 year. You were always the same, sweet person I met back in 1953. Thank you for being YOU. I loved you dearly and I miss you so very much. Laurita Goodrich I know you are in heaven dear Sis.

One day, back when we were young in the 40's, back when the Sears catalog was used for toilet paper in the outhouse. This outhouse had a concrete floor. We were tearing out pages and piled them up. We lit them and got a good fire started when Dad knocked on the outhouse door. We started to try and stomp the fire out. We ran out, ran to the house and up the stairs. We went to Mom and Dads bedroom and tried to hide under the bed. It didn't work because Dad got us and gave us the first and only spanking we ever got. I was the reason my dear sister got a spanking. She was so very dear to me. The last two years of her life has been nothing but pain and hospitals. I will miss her every day of my life. Thanks for the memories. Wish I could have told you good bye Judy. But because of COVID, that was impossible .Your beloved little Brother Rollin Goodrich

Judy was always the sweetest person. Always smiling and made you feel special. She will be sorely missed. She fought the good fight not she's resting the arms of Jesus.

Aunt Judy was such a wonderful Aunt, she was so fun, loving and thoughtful. I spent so many wonderful summers at her house growing up. She took us skating, to the mall to play at arcade, let us play flashlight tag at night, the slip and slide in yard, always keep us entertained. I loved playing with Chucky and Eric and always had a great time at her house. Aunt Judy will be sadly missed but Absolutely Never forgotten, She had great influence in my life and I'm soo happy to have such great memories.
