My condolences to my cousin Valerie's family and friends. I was saddened to hear of her passing. Though we were eleven years apart, we spent time together, as our families are close. I will always remember that smile, everytime I think of her. I remember taking her to the Catskill Game Farm when she was about 13 years old. I can still see her standing in the middle of a dozen deer, holding a cup of corn over her head, trying to get away from them. It didn't work. Rest in Peace, Val. Kevin and Susan Smith

I worked with Valerie at Sonny's BBQ here in St. Augustine when we were both 'kids' with 'kids'. She was so vibrant and fun. I am devastated that someone with so much life in her is now not with us. I think I cried for at least 15 minutes when I got my daughter, Megan's, text. Life is just not fair sometimes. One day closer to forever Valerie...we are all walking this road to eternal life...say hello to my son, John, and enjoy Heaven...soon, we will all be together.

Valerie, my little sister...I cannot believe that I have to say goodbye to you so soon. Even though we were separated by many miles, you were always in my heart. You have endured much pain and suffering these last few years, but you were brave and fought until the end. I wish we had been able to spend more time together, but unfortunately that time has been taken away too soon. Dad, Austin and Billy will be waiting to welcome you with open arms. Rest In Peace Little Sis ❤️

There so many memories growing up as sisters, some good, and some not so good, together we have been through a lot over the years, especially this year. You have shown so much strength though all of this, you never stopped fighting just to spend as much time as you possibly could with your family. You have been an inspiration to all of us. You are free of all your pain now. I am sure that you are having a wonderful reunion with Austin, Dad and Billy up there in Heaven. Know that you will be forever in our hearts.Love your sister,Lauri and Jimbo

My husband Tom and I are first cousins with Maureen. Buck and Tom got along famously. They had a lot in common. We loved him dearly. Our hearts ache for Maureen. We met Valerie for the first time when she was a little girl, probably no more than seven or eight. Buck and Maureen were living in Upstate New York. What a pleasant family and what a beautiful little girl. We can remember her smile and her cheerful disposition. It was a pleasure to know her. She will be greatly missed. We wish you healing and peace. Our thoughts and prayers are with you. Liz and Tom Finnerty.

I've been putting this off because it's so difficult to say good bye. No mother should lose a child no aunt should lose a niece , no brother or sister should lose a sibling. We must remember all the good times and cherish them in our hearts. Uncle Jerry and I have known Valerie her entire life and have many fond memories of her. She was shy as a toddler but grew up to be an independent loving mother and grandmother. Too young to be gone so soon She fought so hard to stay here but now is in heaven with her dad and brother looking over the rest of us. She once asked if pizza and ice cream could be grown in her dads garden along with beans and tomatoes We love you. Rest In Peace Love. Uncle Jerry and Aunt Ruth

Sending sympathy to Valerie's family. I live across the street from Buck and Maureen, we became good friends, and treated like part of the family. I met Valerie one year mostly remembering motorcycles. Is hard to lose a love one but it is memories that keep you going, and silly things you all did. Heard so much about family, and now her Dad is waiting for his daughter to hear about what everyone is doing. You are all in my prayers, and there is another small member of the family, feels the lose of special member of the family, a good moral support..."Babe, T The Shadow
