Janet went to St. Pauls as do I and my husband Jack. I did not know her very well except after my husband had introduced us, her face lit up whenever she saw me. Obviously it wasn't just when she saw me, it was for everyone she saw. All I know her smile left me with a glow. And I will miss seeing her. My husband was able to go to her funeral but I couldn't since I am under quarantine because I was exposed to COVID. I just wanted to tell you how she blessed me. Please accept my condolences. Janet was such a wonderful lady. As a child I remember going to Edwin and Janet's house while my parents played cards and chatted. She always made me feel as I was a family member. I am saddened to see her go away to heaven, but she will meet up with my mother and gossip and chat for hours on end. With Love to all the family. Rex Poe

Janet touched our lives in so many ways...she truly had the Gift of Hospitality, of giving, of loving Everyone! We loved sharing our faith with them...going to church together. It was always good to see them when we'd come back to Decatur to visit..she always had a big smile and big hug for us!! We sure enjoyed sharing a meal or 2 and catching up. We enjoyed seeing them at Early Idler car events and other car events! She shared so much with us! I bet she's baking and getting Heaven ready for us too!

Edwin, Tonia and family, Words can never express how much we love Janet. She was a very dear friend and a wonderful and caring person. She always had a smile and a big hug every time we saw her. We will miss her greatly but feel so blessed to have been a friend of hers. She is like a big sister to me since none of mine are nearby. She was so sweet and comforting to me with every loved one I lost over the years. We will cherish all those special memories until we get to see her again in Heaven. Hugs, love and prayers during this difficult time. Love you guys. Jerry & Gloria

Janet was a very special friend and if you saw her out somewhere you knew you would get a kiss on the cheek and a big hug!! Aidan loved Daytona 500 parties cause he knew he would get to play cards and play cars with his special friend. He could never remember her name so he always called her the kissing lady. He loved her smooches on his cheeks and the hugs she give him. RIP Janet until we meet again! Love you! 😊❤️
