What a blessing to have had this amazing man in our lives the past few years! No one has a bigger heart, full of joy and inspiration like Rodney had. Each day he brightened someone's day with laughter, a good deed or just sometimes his being loud and crazy! His door was always open and he loved to spoil his family. His sense of adventure with my sister made me cringe, but Rodney loved it! You will be missed dearly brother in law and you will always be in our hearts till we see you again in glory!

Rodney was my father he was my father for many years this breaks my heart I know we didn't see eye to eye a lot but at the end of the day this is the man who raised me and no matter what I didn't want to see this. Since my mom passed I've been told by many that people handle death in different ways I know we didn't speak towards the end for reasons I'll never know but just know pops you were still a dad to 2 more children not mentioned and that we loved you and you are missed
