I remember Sis as a young boy growing up and she taught me a lot. She taught me how to jitterbug, waltz, square dance, and in general just to dance. We used to have a blast going to the Saturday night dances in Maroa at the town hall on main street. She used to take Rick and I to the movies in Clinton on the trolley car which stopped at Maroa. We would get a dime for the movie and .05 cents for candy, I remember as I got older I started hitch-hiking to Clinton to save the dime and have .15 for candy. She would very upset with me, but never told on me. I got caught from somebody else telling on me. She held that secret for me. Just about all of my child hood memories are involved with her. She was a great Sister to have as she was very protective. I truly will miss her and regret not being able to see her as of late. Rest in peace Sis I will always cherish and love you forever. Jeanie and I worked together for Family Drug through out the years. She was a kind and compassionate person, well liked by everyone. We shared a room at the Marriot in Florida on a buying trip for the drug store, I could not have shared a room with a nicer person. Her children and her step children were her main concern whom she loved dearly along with her husband Les. So sorry for your loss.
