Heeeeyyy, The Fonz The Fonz. My dad, my dad, my dad. Oh, Brenda, Brenda, Brenda. Awe, BLPPPPPB. My walking partner in crime- awe, c'mon!, when asked to go but she always went and complained the whole time :) but loved it anyway. My singing partner of any 70's or 80's song. Beautiful, helpful, kind. 3 months older than me, reminding me always to find the fun. Loved her dad to the end and back. Vicki, you will forever missed and forever in the hearts of all you touched. Rest in heaven, dearest soul. Kristi Nottelmann

I had the privilege of being Vickie's 3rd grade teacher at the old Macon Grade School. As a student she was a blessing, a sweet personality, and wonderfully played the lead role in one of our little plays! She loved God and shared this with others. May her family be comforted that she is now celebrating in heaven with those who loved our Savior!

Vicki always had this natural way of being the star in every room. From her mannerisms to catch phrases, she was nothing short of a character that made me laugh everyday. We loved doing her puzzles and makeup. She will be missed by many. In the words of Vicki (and John Denver) "I'm leaving on a jet plane. Don't know when I'll be back again." Fly high sweetheart!!

The first time area 10 athletes had to qualify at Warrensburg High School; I was so proud of you. You were so strong! You walked all day, even though the ground was unlevel and it was hard for you. You kept your beautiful smile. I love you and I will never forget all that you taught me. ,♥

It's been 25 years of so, since I've seen Vicki, but over the years, I have thought of her often. She was one of the kindest and funniest people I knew and she had such a gentle soul. My heart goes out to her father, family and friends. I know how much she will be missed. My sympathies to you all.
