To Danny's family, Our backyard fence connects at a corner near Danny's yard. When I first moved here, I remember seeing Danny often in his yard. We always waved to one another and at times we called to one another with a Hi!, How are you? I really did not get to know Danny; was not in our backyard as much as years passed. I enjoyed seeing his dog in the yard. I will always remember his friendly wave and smile. I extend my condolences and sympathy to his family. May God give them comfort and strength.. I pray that Danny is enjoying his new life with God. Sister JoAn Schullian, OSFFranciscan Sister from St. Mary's Hospitaland Our Lady of Lourdes Church

To Danny's Family & Friends,I wish to express my deepest sympathy with the passing of Danny. May those fond memories of him provide comfort and strength each and every day. We became good friends working together at CAT in the office. He was a true craftsman at woodworking or any project he took on to build or repair. He helped many people over the years and will be greatly missed. May he rest in Eternal peace.May God Bless!!
