More than 1 time uncle Rick you were a big part of my life. From Church to being there to help and teach. You could always be counted on to be around and help as needed. I wish I could be with the family in this time of need but I'm Covid positive and in isolation. May God watch over all of you with calming hands. Love you all.

I love you Rick, & miss you so much. There isn't a day go by that I do not think of you. I know without a doubt thanks to Jesus that you are in Heaven, I just cannot convince my heart to let go. You meant so much to me. We was suppose to have bible study, I guess you will help me from Heaven. I am praying they use your church for another church, & so many souls are saved. I will meet you in Heaven my brother until then my heart will be missing yours. Love you, Tammy
