She has done so many wonderful/ Beautiful things and has made so many memories with us that it is unreal. From good times to helping us to make it through some difficult. The hole you've left on earth is massive. We were lucky to have you while it lasted. Your contagious smile, heart and warmth radiated immensely. You always seemed to bring smiles and laughter wherever you went. Heaven is so lucky to have you. I hope they knew what they were getting into because I'm sure it will never be the same! Momma, I'm going to miss you more than words can express but I understand Heaven needed you more. I only hope you're smiling as you watch over is all now. This is not an end yet a pause until we are together again.

When Heaven gained an Angel, I lost a good piece of my heart. You alone were so many irreplaceable things to/for me and this world will never be the same. My love is beyond words and I can't wait until I can get one of your cherished hugs again.

I met Jeanette several years ago while working at the Hopeful Heart Food Pantry. I liked her immediately. She had such a sweet personality. She and Larry were two of the hardest workers at the Pantry, always willing to help wherever needed. Larry, I know you will miss her, but we know she is with Jesus and you can be with her one day. Bless you and your family. I can't believe she is gone. I know everyone will miss her. Love, Carol Schonert
