Mary Reeves lit a candle in honor of Billy.

Martin, Mark & Michael, Your dad & I shared a birth date but several years apart. We would always wish each other a Happy Birthday when we worked together at Van Horn's. He had a smile on his face every time you would see him. May the lord comfort you all during this difficult time.

Mark, Mike, and families I read this morning of the passing of your good father. I remember him well as he always wore a smile. I know he will be missed, but I also believe that he and your mother are reunited in a place so grand that we can't even begin to comprehend it. Please know that you are in my thoughts and prayers. Sincerely, Al Fagin.
