Gail I my friend, I have so many memories of us hanging out on Skyline Drive. You and your family were like second family to me. I'm so glad to have had you in my life while growing up on that crazy street; oh the stories we could tell!! I really regret not being able to see you when I was home last month when we lost Joyce. Anyway, I'll always cherish your memory and thank God that we had the times together that we did. Love you girl, and hopefully we can hook up on the other side. Zonda Bodiford McKinney, TX

I have known Gail for 24 years. From the first day we met, we became the best of friends. We would visit and laugh for hours at her house while waiting for our kids to get out of school. There was never a dull moment. She knew exactly how to make me laugh! And I knew just how to cheer her up when she was having a bad day. We went through thick and thin together. I cherish all the memories I have with her. I would like to tell Joseph, I am sorry for your loss and if there is anything you ever need please know that I am just a phone call away. I would like to tell Shaun, that I am sorry for your loss. I am sorry your children are not going to be able to grow up with her in their lives. She loved them so much. I hope you both know how much she loved you. You were her world. She was so proud of both of you. I would like to tell Pat, I am sorry for your loss as well. You came into her life at just the right moment. You were her knight in shining armor! She loved you more than you will ever know. You two truly were the best of friends! I would like to thank you for taking such great care of Gail! I want you to know that I am here for you also. I am going to miss catching up with her on the phone. I will miss her voice and her laugh. Gail, REST IN PEACE my friend! Love you, Nonie
