Brad Scott posted:

Connie and family I am so sorry for your loss. Rick was such a good person I hate to think he is gone. I worked with Rick at both the Foundry and PPG. For many years we gave each other varying amounts of grief to pass the time every day. We both knew it was done in fun but sometimes we would really get carried away. He will always affectionately be known as little Ricky and his loss is heartbreaking. Wishing the family peace and comfort Brad and Krista Scott
