I called them The Gang, They were a group of friends that always hung out together with Philip and I. It was Darrell Moore, Mark Maple, Shawn Reeves, Dale Reed, Randy Johnson, Kent Smith and then the girls came that would become wives. We had other additions that would come to hang out too occasionally. John Howard, Kent Grider,Our group sometimes included Jill Dixson and Jeff and Donna Kaufman, Leo Cartwright?when the band practiced in Jeff's basement in Argenta. Dale and Blenda were part of the group that would hang out and listen to the band practice. Phil on drums, Leo on bass, Jeff on guitar, Jill on keyboard. Just a bunch of young people having good clean fun. It all made for lots of great memories! will always remember those good times and Dale and Blenda were a part of them. So sorry Dale was taken away from us so soon. My sincere condolences to Blenda and family. Love and hugs! Diane (Kimler) Kopp
