Susan Tate sent a virtual gift in honor of Diana.

Oh Lord where does one start and where does one end? Diane was more than a relative by marriage. She was a big sister. She was a friend. She was a friendly face and a welcome embrace. Any life she touched, felt her. May the Heavens receive her with a beautiful celebration. And may the family find peace in the love she freely gave. Her pain is gone , but the emptiness of her presences will be every lasting.
