So sorry to hear of Carol's passing. She was my stepmother growing up in the 1970's and even after the divorce from my father always treated me very well. I worked for her for two summers at her grooming shop after the divorce, and she was always very gracious and treated me as family, feeding me, and even letting me borrow her car when I needed one. My favorite memories of her will always be with her and I playing with Brandy her beloved red Doberman Pinscher who remains one of my favorite family dogs of all time. I am so sorry for your loss.

I am Dr. Rex Moore, cousin to Carol Ann. I have wonderful memories of growing up with her and playing at Grandma Bess's house in Niantic. We saw little of each other in later life, and then only in times of sorrow. My heart goes out to her memory and the many difficulties and sadness she often had to overcome in later life. Please notify me when a service is planned for her. Rex Mooreharpman22@msn.com
