To the Whole Reynolds family. I am so sorry for your loss, You all are like a life long family to me. Feels like I lost another dad. Larry always answered the phone when I was a kid calling Tammie WHAT, not hello and it always made me laugh. He loved to tease me and called me Billie after I had my hair cut and kind of stuck. So many years and so many laughs. Dad and you can now bull with each other again in heaven. Rest in Peace Larry. with all my love to you all.

"There are no happy endings. Endings are the saddest part, so just give me a happy middle and a very happy start." Everything changes, and time goes so fast through the years. I'll always remember the many memories I have of the man whom I thought helped hang the moon growing up. Rest easy Uncle Larry.

I will always remember Larry for being witty. I always enjoyed our time together fishing. Most of all I will remember his determination to continue his fight. Once he set his mind to conquer something nothing would stop him. I will always remember that. I miss you already. Love you Larry! Your Favorite Son in Law....Charlie P
