I have very fond memories as kids hanging out with Gary at his parents home. Mr. & Mrs. Scott always made us feel welcome and looked out for us like they were our parents. I feel blessed to have had them in my life as I'm sure so many others do as well. Mrs. Scott will always have a place in my heart and will be dearly missed. I try to find comfort in our loss, knowing that we will all be together again one day. Sincerely, Troy Hott
