We will miss you uncle Johnny, will definitely miss those phone calls (sometimes late at night) and you saying: do you know who this is. Momma has such fond memories of you all growing up and will always cherish those memories. So glad we got to talk and FaceTime with you last month. You had a good sense of humor and were loved by so many. May God comfort your wife, children, grandchildren and siblings and the rest of the family. -With love, Sharlett (Calvin) White
