Family and loved ones of Mike. I am so sorry for your loss. I decided to look up my high school buddy and see if he had a FB page to get in touch. I missed his sense of humor and often have thought of him. I saw him at dmng one night, and he came to pick up Lori. He had a hard time recalling things but remembered me. He shared his testimony with me and I am glad he had rededicated his life to The Lord! I hope we can all be with him again one glorious day! Brian Duncan
