We lived next door to Bev for almost 15 years. She was a wonderful neighbor and a great friend. She spoiled our dogs and cat as if they were her own. I shared many moments on her swing with her just visiting. She was a kind woman who gave to anyone in need if she could. She was funny too! She would sing to us on our birthdays, she was not a great singer and I think she was aware! My husband Michael is a big Cubs fan so they always had banter back and forth. One time she put a bag over his Cubs flag on his truck, said she just couldn't look at it sitting out on her swing all day! She was already missed by us as we moved a year ago, but we still chatted on the phone occasionally. We will cherish the moments we did get with her for sure. Here is a picture of our Josie & Salem before we moved waiting on Bev, she would walk over everyday and greet them with treats of course! She was very special to all of us. The world definitely needs more "Cookies".
