Mom~~ the mother-daughter memories will be cherished the rest of my life:: heart to hearts at the kitchen table, going for drives & running errands together, taking you out to eat at your restaurant of choice for several Mother's Days, our trip to Florida, long phone conversations Your warm and comforting hugs, sound of your voice, & your loving eyes; your love and friendship Memories of my childhood:: my first birthday party (I cried because I did not like being the center of attention), the laundromat trips w/ Barry 😊 (we were so little!). Teaching, guiding, & advising me about what it means to be a mom, a good cook and cleaning the home, prioritizing, work ethic & how to survive on my own, a good person; respectful, kind, loving, caring, truthful & honest Everything I am has been shaped by mom and dad's love & guidance; and God's word. ❤️
