Norm and I were neighbors on Green Switch Rd. , ..graduated (KennyFrye -,Janet (Jones) Frye with Norm in 1954. ..attended Norm and Ginger's wedding, many class reunions etc. Ginger and I sat in OB office together expecting.. as district secretary at AO schools I hired Lisa to Sub.. Because she looked so much like her grandma and was a Fombelle!! Loved Gingers stories when she and Norm at U of I, lived in small apartment, she worked, he went to school. Norm was not old enough to get married needed parent signature his dad refused because he loved Ginger so much if it did not work, so Norm's mother finally agreed to sign for Norm. Ginger was an outstanding homemaker, wife, mother, ...never a finer "lady". Blessings, Janet Frye
