Dear Bob and Ann and family of Barbara! As close friends from Germany we did not know your sister, dear Bob, but you told us about her and we feel so very sorry for you and your family to have lost her still so young! We want to give our condolences to all of you, especially to her children. To lose one's mother takes away being a child, it is so very sad... in Germany we Call it ,eine Zäsur im Leben', there will be a before and after. I am so very sorry for your great loss. She was truly the epitome of womanhood. Calm, intelligent, capable, gracious, a gentle quiet spirit, she put others first always. Sympathies to Kelly, children and grandchildren. She will be surely missed. Ever the comforter and encourager, gone too soon. Beautiful inside and out. Thank you Barbara for an example of a life well lived!

I'll always have fond memories of cookouts at dad's, traveling to New York and Chicago, going on a cruise, Thanksgiving dinners and the games we'd play after dinner. There was always a lot of laughter when we would all get together and Barb was a big part of that! She loved her family and spent a lot of time with her grandchildren! Barb will be missed but she will live on in our hearts!
