I was just told about Curtis' passing. I am so sorry to hear this news. I got to know Curt while we were working together at the Township Office. I was just 22 years old and as "green" as I could be and Curt was about 35. Curt took me under his wing and showed me the ropes of how to deal with my Township clientele. After I became a pastor, I would often thank him for his mentorship and his friendship. He'll never know how much I admired him and how much he helped me to grow into the person I am today. "Rise my brother, thy light has come, and the glory of the Lord shines all around you." I will truly miss you Curtis!
