Gary & Lynna, I am so sorry about the passing of your mom. Your mom & dad were great people & were always very nice to me. I thought they were fantastic...for adults. I remember riding my bike to your house & then riding home in the dark, which I was always scared riding home in the dark. I always thought your mom's southern accent was cool. Our thoughts & prayers are with both of you & your families.

Lynna Sue and Gary Dean: You may not remember me. My mother, Fannie Ryherd, was your Grandmother, Alice's sister and my father, Guy Ryherd, was your Grandfather, Herman's brother. Your mom is my double cousin. I remember when you both were little and your mom and dad visited us in Kentucky. The last time we visited Decatur, your mom took me and my husband out golfing. She truly loved her family. My brother died last August from Covid and your mother was one of the first to call and try to comfort me through his death. Trudy was such a unique soul and I will truly miss her. Please know both of you are in my prayers. Sending love and hugs to everyone.
