Mom Anna I will miss you very much. You will always be in my heart and soul. I Love You Very Much. I loved when we would go out shopping and then when we would go by ourselves it was awesome and then going out to eat with Tom and I and the boys and you we would have a blast it was always awesome to go out to eat with you and when we went to Effingham to Golden corral that was great too and Chuck e cheese and we took the boys they loved it and I know you loved it and I did too and so did their dad he was like a little kid playing all the games. So rest in peace mom and have fun with Everett until we meet again you will always be in my heart. To the Lilly Family I am so very sorry for your loss and I consider myself family because I loved Mom Anna as if she was my own mom she will always have a very special place in my heart.
