We were hosting a family reunion at our house at Pana lake. I had a rope swing on a big oak tree on the west side of our house. I was probably 10-12 years old and Scotty was maybe 4 or 5. I was giving the younger kids swing rides when Scotty walked up to me. I look at him and said in an excited voice, " Scotty, do you want a swing ride?" He looked right back at me equally excited and said, "Nooooo".
