What a wonderful video of so many happy memories! Your dad helped install a chair glide for my daughter Lori when she was battling kidney cancer in 2004. It meant so much to our family. He most definitely was a man willing to help others in any way he could.

Dwight & I have been friends since we were 8 years old. His passing is a very sad time for me. I was his best man when him & Georgia got married. we enjoyed a lot of good times together boy scouts, racing around decatur when we were teenagers and camping trips when we got older. I will miss him very much. RIP my ole friend.

I was so sorry to hear of your Dad's passing. I was friends in high school and after with him and your mom. He worked on my car several times (many years ago) and I always trusted him to be honest with the repairs. My thoughts and prayers will be with you all.Linda Cox
